Honoring the Blessed Mother

The Crowning of the Blessed Mother has been a standing tradition here at St. John for many years during the month of May, the month dedicated to celebrating Mary. In keeping with tradition, about 20 children, some in their beautiful white communion gowns and tailored suit and others in their Sunday best, gathered around Mary to adorn her with white roses on Sunday, May 5. Tommy Mattia did the honor of crowning baby Jesus, while Halia Youngs did the honor of crowning Mary. According to the Rite of the Crowning of the Blessed Mother, if Mary is portraying baby Jesus in her arms, baby Jesus must be crowned first.

All those who participated did amazing job. After Mass the

children received rosaries and celebrated with cross cookies and cupcakes.

Special thanks to Kay and Andy Sanfelippo who always go above and beyond what is asked of them. They are very special people and we are very blessed to have them at our parish. Also, thanks to Emily Schwarz and Olivia Mattia for all of their help. They are incredible young ladies who are grounded in their faith and always eager to help. Thanks to Anne Galt who made the beautiful blue sashes and cape to honor Mary and to Tricia Schwarz for making the delicious cross cookies. Special thanks to Jonathan and Michael Dina and Mason Campbell for the great job serving the Mass.

Spiritual Adoption Program Continues With Month Two

The Spiritual Adoption Program is heading into the second month. Your commitment is to pray a short prayer daily through Christmas.

MONTH 2 - Developing Baby – “I’m dancing!”

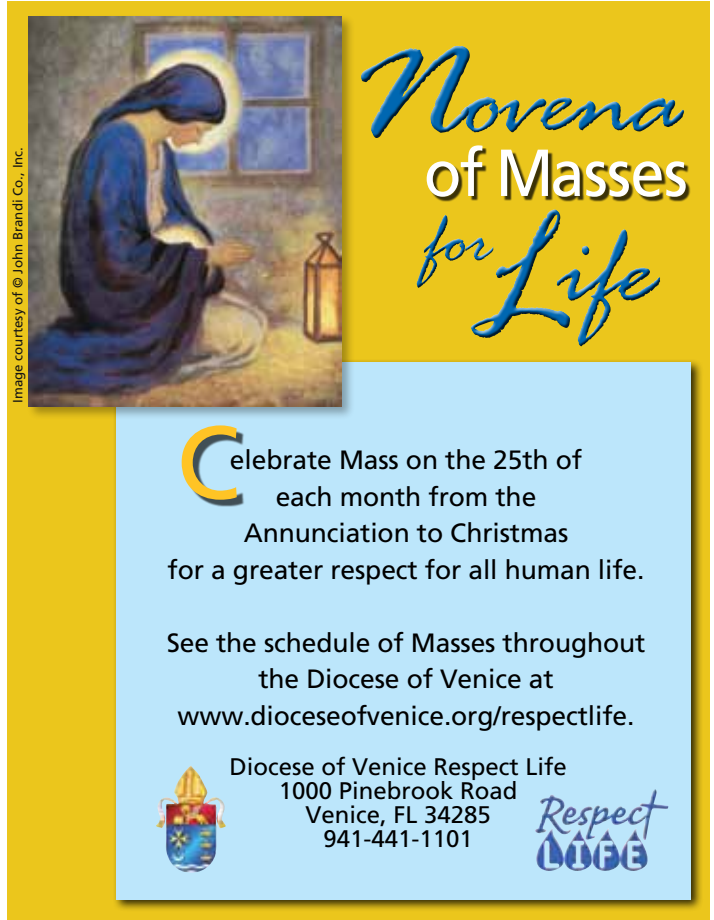

Your spiritually adopted baby is making progress developing all of her external features and internal organs. Her brain is functioning at 40 days. Her mother can hear her heartbeat now on an ultrasonic stethoscope. Baby-teeth buds are present at 6 ½ weeks. The central nervous system is functioning and

40 muscle sets begin their first exercises. From this moment, your spiritually adopted baby grows and refines her body. But everything she needs to survive after birth is already present by the end of the eighth week. She is now called a “fetus” a Latin word meaning “little one”. Ultrasound

reveals that this little one can now spring, flip and jump – her first dance steps!

The next Novena of Masses for Life at St. John will be Saturday, May 25 at 5:00 p.m. This Mass will be celebrated in special observance of the life of Jesus in the womb of our Blessed Mother. For a complete schedule of the Novena of Masses for Life, check the diocesan website at: www.dioceseofvenice.org/respectlife.

The graphic features a yellow background with a blue and white illustration of the Virgin Mary kneeling in prayer, holding a book. To the right, the text "Novena of Masses for Life" is written in a blue, cursive font. Below this, a light blue box contains the following text: "Celebrate Mass on the 25th of each month from the Annunciation to Christmas for a greater respect for all human life." It also includes the website "www.dioceseofvenice.org/respectlife" and contact information for the Diocese of Venice Respect Life: "1000 Pinebrook Road, Venice, FL 34285, 941-441-1101". A small logo for "Respect LIFE" is also present.

Life Matters

More good news, Kermit Gosnell has been convicted on all 250 plus counts of first and third degree murder, racketeering, abuse of a corpse, and on and on. Let us all pray for his soul, and pray that he is sentenced to a long life in prison. Even Dr. Gosnell does not deserve the death penalty. As one pro-lifer pointed out today, God loves Kermit Gosnell just as much as he loves you and me. Pray for his soul.

Following the outcome of the Gosnell trial, I for one am hopeful that we are seeing that one moment in time where the horror that is abortion is coming to light in a way that it hasn't been seen in for over 40 years. Planned Parenthood's lobbyists were given the cold shoulder in Tallahassee when trying to prevent protection for victims of abortion who are born alive. Thank God, our state has passed a born alive infant protection law in the latest legislative session. I'm not sure that could have happened even a year ago. Let's keep praying.

St. John Youth Ministry

To Jesus Through Mary

Last Sunday we celebrated Mother's Day with our families. I encouraged our young people to spend time with their moms and to express their gratitude for her in a special way. If we stop and think about it, we discover that our mothers not only gave us the gift of life but also introduced us to the mystery of being loved. Like Jesus, our mothers said to us: "This is my body which is given for you" (Lk 22:19).

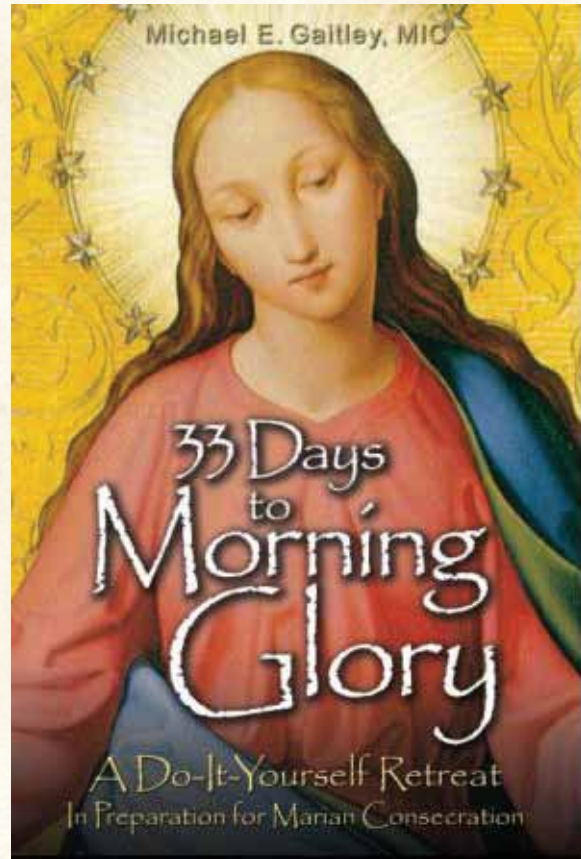

"Yes, if we want to become more fully Christ, then we need to belong more fully to Mary. By going to her and remaining with her, we allow her to accomplish her mission in us. We allow her to form us into other Christs, saints. But how do we do this? How do we belong more fully to Mary and allow her to fulfill her mission in us? Simple. We say yes, just like she did. What joy it is to be consecrated to Jesus through Mary!"

For our first nine months, we experienced the most intimate communion with our moms: they carried and nourished us, literally making space for us within their bodies. And after we were born, our moms continued to feed us through their bodies. According to God's providential plan, our mother's sacrificial love is meant to prepare us to experience the miracle of Jesus' love whereby we receive the spiritual food of his body.

The highest expression of Jesus' love for us was his death on the cross. Hanging on the cross, Jesus gives us one of his greatest gifts: his Mother. "When Jesus saw his mother and the disciple there whom he loved, he said to his mother, 'Woman, behold, your son.' Then he said to the disciple, 'Behold, your mother.' And from that hour the disciple took her into his home" (Jn 19:27).

The Church teaches that we are "the beloved disciple," that Jesus was giving Mary to each of us, and that we are to take Mary into our home. So, Jesus gives us not only our earthly mothers, but he gives us a heavenly mother, as well! But how do we take Mary into our home? Some of the greatest saints and theologians tell us that we can best do this by cultivating true devotion to Mary. In fact, they teach us that the "surest, easiest, shortest and the most perfect means" to becoming a saint is to go to Jesus through Mary (Marian Consecration).

To learn how to consecrate yourself to Mary, I recommend the new book *33 Days to Morning Glory: A Do-It-Yourself Retreat* by Fr. Michael E. Gaitley, MIC. In his book, Fr. Gaitley pulls together the prayers and teachings of some of the greatest Marian saints: St. Louis de Montfort, St. Maximillian Kolbe, Blessed Mother Teresa, and Blessed John Paul II. LET US PRAY...

MAY 19, 2013 ~ PENTECOST SUNDAY

I am very pleased to announce that we have signed the proposal to install a fully integrated hearing loop system in the church. I am even more pleased to announce that our St. John the Evangelist Men's Club has agreed to fully fund the cost of this system. This will be an amazing addition to our church and a great resource for those who have trouble hearing during Mass. By installing this loop system, we will be one of only approximately 100 facilities offering this technology in the entire state of Florida. Thank you Men's Club for your incredibly generous donation!

What is a loop system? Below is a brief, yet concise description.

The technical name is Audio Frequency Induction Loop System, but Loop, Loop System, or Hearing Loop for short. In its most simple form, an audio induction loop system utilizes a loop of wire around the perimeter of an area that is connected to an induction loop amplifier. An input signal (from a microphone, TV, or etc.) is provided to the induction loop amplifier, and the induction loop amplifier drives an audio current (note current not voltage) through the loop in the form of a strong alternating current. As the alternating current from the amplifier flows through the loop, it creates a magnetic field within the looped area and "induces" the telecoil or T-coil in a hearing instrument, or specifically design induction loop receiver, within the looped area.

When a hearing instrument user switches their hearing aid to the "T" position on the hearing instrument, the telecoil in the hearing instrument picks up the fluctuations in the magnetic field and converts them back into alternating currents. The alternating currents are amplified and converted by the hearing instrument into sound.

The input to the induction loop amplifier can be a sound source such as a television or stereo, a public address or sound reinforcement system, a dedicated microphone, or any sound source that users inside the looped area wish to hear more clearly.

As we move through the installation process later this month, we will educate all parishioners on the requirements to be able to utilize this technology. If you currently use a hearing aid, it must include the aforementioned telecoil in order to pick up the signal. If your hearing aid does not have a telecoil, you may

have it retrofitted through the manufacturer. We have ordered ten extra loop receivers for those who do not currently have a telecoil installed in their hearing aid.

Did you know that only two weeks into the month of May, we have already exceeded our regular offertory compared to the entire fiscal year 2011/2012? Including this weekend, there are seven weekends remaining in this fiscal year. This is a great testament to the amazing parishioners we have at St. John the Evangelist. This increase in revenue will allow us to make some much needed capital improvements on campus and to fund our many parish ministries. Thank you for your continued generosity in allowing us to operate "in the black" for the past twelve months.

Have you noticed that we planted a new ficus hedge on the west side of our property? The intent of this hedge is to block the view of the maintenance "shed" next door at the cemetery. Due to the nature of ficus, we should have a beautifully manicured hedge by the end of summer and not have to see tractors, crypts, etc. while coming to and from Mass.

We have sold over 60 brick pavers at the base of the "Lest

we Forget" Veteran's Memorial. As many have commented, this is a truly beautiful memorial and a great tribute to our service men and women who have served or are currently serving in the military. As a point of edification, when we install new engraved pavers, there is sand that must be placed on the pavers and in the cracks in order for the new pavers to settle and adhere. Some of the sand settles in the lettering of some of the pavers already in place. This is not a flaw and instead the sand must simply be blown off. Some

have commented that their paver looks as though the lettering is washing off. This is not the case. I have instructed our maintenance department to blow off the pavers periodically to ensure that they are legible. If you are interested in purchasing a paver to honor or memorialize a loved one, please contact me at 566.1678. The cost is only \$150.00 and the end result is beautiful.

We are currently exactly \$30,000.00 ahead of where we were at this same point last year with regards to pledges for the Catholic Faith Appeal. Although our assessment is \$10,000.00 higher this year, we are still \$20,000.00 to the good. Thank you for your continued support of the Catholic Faith Appeal.

In His work together,

Scott Schlossberg, MBA, General Manager

The Word & *Life*

A Renewing Spirit

As we celebrate the Feast of Pentecost, we recall the monumental occurrence that gave birth to our Church and gave the apostles the courage to fearlessly proclaim the gospel. The Acts of the Apostles tells the story of the disciples gathered *in a house of fears*, waiting for God's

helper. They are infused with the Holy Spirit, also known as the Advocate, who renews their faith, their confidence, and their reason for living. As a result of the experience of Pentecost, the disciples proclaim the very message that led Jesus to his death. Even though these simple

people did not have the gift of being multi-lingual, the miraculous power of God enables foreigners to hear the message of the kingdom.

This Spirit, who renews the Church in every age, is at work in us and in the Church to this day. Millions upon millions of lives have been inspired and changed by the Spirit of God that continues to be the Advocate of the Church. The Advocate is the driving force behind our Church, inspiring us all to listen to its murmurings, encouraging us to love, to forgive, and to live with a compassionate heart. Although many people consider the Holy

Reflection Questions

1. How does the Holy Spirit transform the disciples?
2. Identify the moments in your life when you have experienced the Holy Spirit.
3. What inspires you?
4. How does God inspire you?
5. Do you allow God's Spirit to transform you and the situations you find yourself in?
6. Do you align the voice of truth within to the Holy Spirit? Why or why not?
7. The Holy Spirit brings peace and order to the anxious early disciples. How do you think the Holy Spirit can bring about peace and order to the problems of the world?
8. How do you think the Holy Spirit speaks to us today?
9. Do you allow others to teach you through the gifts the Holy Spirit has given to them?
10. How does the Holy Spirit speak through you?

Spirit to be the ‘neglected’ third person of the Trinity, its power continues to call countless numbers to the priesthood, the religious life, and the lay ministries of the Church. Even though we cannot see the Spirit, it remains the hidden companion on our faith journey. Each journey is blessed by the Spirit’s seven-fold gifts of wisdom, understanding, counsel, fortitude, knowledge, piety, and fear of the Lord. The gifts of the Spirit enable the Magisterium of the Church to offer concrete leadership and guidance in matters of the faith. And it is the Holy Spirit who enables the bread and wine to be transformed into the body and blood of the saving Christ during the Eucharistic Prayer.

When we think of the Spirit in an academic light, we realize that it is the third person of the Trinity. We catch many glimpses of the presence of God in the realities of life. Some people have turned away from their addictions because they heard a voice within urging them to change their destructive behavior. *The Holy Spirit?* Relationships are often fractured as a result of the words or thoughtlessness of others. When people are stirred to forgive, what exactly that moves them towards reconciliation? *The Holy Spirit?* The Holy Spirit is like the air that we breath, unseen but vital. The Advocate, the Helper, the Paraclete, the Holy Spirit is the unseen mover who changes hearts. It can be likened to the wind that makes things move even though it cannot be seen with the naked eye.

Voices of Faith

The Gift of Pentecost

In the upper room of fears
The disciples await the promised gift
The Advocate, God’s holy gift
Thus God moves and breathes into them
And a new song is now heard
As the apostles go out proclaiming the Living Word

The Church is born on that day
As the visitors to Jerusalem are shown the Way
The Spirit moves men to speak
Others to stand, to listen and to seek
Faith is captured as disciples preach
Hearts are opened to blessed speech

The Holy Spirit breathes upon the Church
As She continues through time and space
Countless members embrace the Faith
For God breathes purpose in ever man
So he may grow in the saving plan
People are changed knowing the great I Am

And so today man stands in faith and trust
To discern God’s will amidst life’s rush
God breathes upon men and women alike
When life is witness to worry and strife
Our goal is certain and hope secure
On the Father’s House for those who follow His Law

For wisdom, understanding, counsel, fortitude,
Knowledge, piety, and fear of the Lord
Are the Seven gifts offered in the service of the Lord
With hearts open countless embrace the Spirit’s gifts
Their lives are changed, their burdens lift
To embrace love’s yoke and sacred gift

— “Peaceful Moments” by Fr. John J. Ludden

Celebrating the Blessed Mother and All Mothers

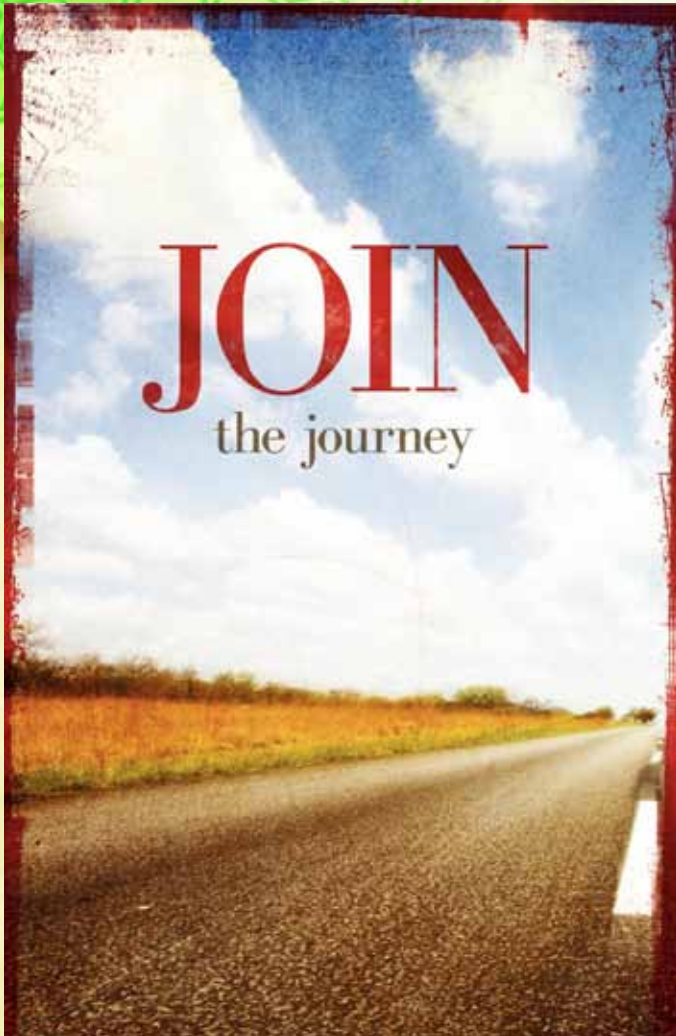

Bible Story Time celebrated moms and Our Blessed Mother Mary with a May Crowning ceremony May 6. The children made hand-print cards for moms, May flower baskets and crowns. Moms, grandmas and children listened to stories about Mary and moms. The group then processed to the garden to crown Mary. The children presented Mary with flowers, sang "Ave Maria" and prayed a Hail Mary. It was a beautiful day to show our love and appreciation to our mothers.
