#ToKnow Our Parish Mission
Response to Hurricane Irma

It all seems so calm now. The wind gently blows through the few palm trees left on our church campus. People make their way into our church for Mass every day, greeting each other and asking how they are feeling or if they have dinner plans. The sound of children's laughter echoes through the halls of our Parish Activity Center and Claussen Center as hundreds of youth come for after school STEAM programs and Faith Formation. For a moment, you may not even see the massive and life-altering impact of Hurricane Irma that occurred only four months ago. Last week, I described the feelings and situation of the immense disaster that had

befallen Saint John the Evangelist. This week, I wanted to provide an insight to those who may not have personally witnessed the immediate reaction of this Parish Family. The level of response was unprecedented.

Immediately after Hurricane Irma hit us, the Parish Staff, partners, and volunteers worked night and day in order to make the campus safe to access. The Memorial Garden and the front lot were cleared and cleaned up. The massive trees and debris were taken care of by one of the first tree removal services available

To Know, To Love, To Serve... Parish Mission and Life

Continued from Page 1

in the area, thanks to our site contractor, Bonness. They were able to find a massive crew with cranes and trucks to remove the trees. This effort was completely at the Parish's expense of over \$30,000. At the same time, with all our exterior lighting destroyed in the middle lot, Gates Construction and Southwest Electric prioritized placing our new light poles to ensure safe parking between the church and Parish Activity Center. Crowther Roofing and Mechanical came through in a huge way. They arrived the very next day after the storm to

assess the church roof, which is completely compromised. They determined the safety of the church could be assured if we removed the shattered skylight above the altar. They also identified two new air conditioning units that would need to be put in place so the church could be cooled (or heated, as we have needed recently) properly. They got right to work sealing up the roof and installing the new AC units.

The Diocesan Building Director even remarked he had never seen so many Crowther trucks on a single site at one time. Lykins Signs came to our rescue when the cross on top of the Bell Tower was swaying constantly after the storm. When they inspected it with their crane, they found that it was completely disconnected, and as the tower itself

began to tilt, the cross was falling over. They removed it immediately. The Bell Tower itself was deemed a total loss and was demolished. Once power was restored, ServPro, our restoration contractor, went right to work, removing internal damage, cleaning, and repairing our buildings with 20 people working 7 days a week. It only took them two weeks to get us back into our facilities safely. We

owe our partners a debt of gratitude. Without their efforts, we could still be having Mass in the Seminar Room.

by Jean-Paul Boucher

jp@sjecc.com

A few challenges were immediately evident, however. It took about 12 days to restore power to our campus. That significant delay compounded the damage in our ballroom and other parts of the campus.

There was no air conditioning and no lighting, a hazardous condition for any building in Florida. This environment caused a total loss of our massive

ballroom, with the carpet, dance floor, walls, and ceilings completely destroyed. All 600 reception hall chairs were lost due to a flood in the storage room from a roof leak. Even the wood studs that held the walls were soaked beyond saving. Once ServPro finalized and certified the safety of our Parish Activity Center, Gates Construction went right to work to repair our ballroom, but they have been stopped by Collier County. Unfortunately, even though the County stated we could perform our repairs without a permit, once they witnessed the efforts, they shut down all work until a permit request was submitted and approved.

We are still waiting on that approval. That is the cause of all the cancellations of our wonderful events and activities. It is extremely frustrating. I share your concerns, and I appreciate all the support that our Parish Family has provided in this challenging time. We are doing everything in our power to return our campus to its new normal.

In the midst of all these challenges, our Parish Family came together as never before. We turned our own church tragedy into life-saving action for thousands of locals who were without power, water, food, clothing, and so much more. St. John started supporting our community only 4 days after Hurricane Irma decimated the campus. The Knights of Columbus led our efforts to gather and then distribute all the essentials we could to Naples Park, Immokalee, and East Naples. From donations and FEMA supplies of water pallets and food

rations, to diapers and wipes for both babies and adults, our Parish Family responded every single day for over two weeks with new donations. Our County Commissioner, Andy Solis, asked to have St. John's campus become a water and ice distribution point for the local neighborhood. When Saint Leo's FEMA site was not able to distribute the large amount of food and water they had, we sent our box truck up to them daily to get full loads and drove those supplies out to those locations most in need. When a neighborhood near St. Peter the Apostle was found to be eating out of the trash and re-using adult diapers because they had no one helping them, we worked with Father G to get boxes of supplies sent with him to save those desperate individuals and

families. All told, Saint John the Evangelist gathered and then donated over 45 truckloads of essentials over two weeks: feeding, clothing, and saving countless people that had nowhere else to turn. Every member of our Parish Family should feel proud and blessed for the massive service and support undertaking that came from our church and our hearts and souls. I have already thanked individuals and groups that spent their entire lives at our church those weeks (<https://saintjohntheevangelist.com/news/thank-you-all-for-your-support-and-service>), so I will not take the space to do so again, even though I am grateful every single day for their commitment and dedication. They truly lived out our mission of service, and they showed it with their blood, their sweat, and their tears, forsaking even their own personal needs to help others.

The cost for this response has been significant to our Parish Family. We are blessed that we have been supported in prioritizing essential efforts like the church roof repair via the Diocesan Insurance Program, but there are still many projects' costs that we will be dealing with over the upcoming months. Next week, we will discuss our plan for those repairs and renewals, bringing us to our "new normal." If you have not yet given to our efforts, but you would like to contribute, please ensure your gift states "Hurricane Repairs" in the memo line or on your envelope.

God Bless Saint John!

Davis Boulevard Thrift Store Sustained Major Hurricane Damage

The SVDP Thrift Store at 2313 Davis Boulevard is closed as a result of major damage during Hurricane Irma. Damage includes structural, roof, 2nd floor dislocation, electrical, and HVAC items. The Davis Thrift Store represents more than 50% of our Thrift Store income and is used to support our many ministries including our Choice Pantry, Meals on Wheels Program, Financial Assistance, Scholarships, and our pilot Systemic Change initiative in support of the poor in Collier County.

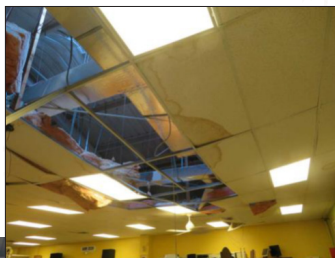

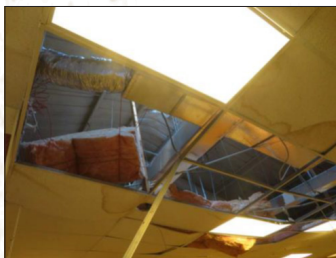

The SVDP Naples District Council Board is announcing the following changes:

- Closure of the Family Assistance Center on Fridays.
- Reduce Family Assistance Center hours of operation to 10 a.m. -- 1 p.m., Monday - Thursday.
- Evaluate alternative approaches to providing Meals on Wheels to homebound and disadvantaged seniors. Meals on Wheels is our most expensive program on a per person basis.
- Suspend our Scholarship program after June 2018.
- Eliminate positions and reduce hours for affected jobs.
- Ask volunteers to fill roles in our ministries that that were previously performed by Staff. For example, we are training volunteers to work at the front desk, welcoming those we serve to our Family Assistance Center.
- Actively looking for a second thrift store location.
- Looking for new funding sources to sustain our reduced programs.

We believe our financial issues are short term and that, when we have two operational thrift stores, we will move to improving our availability and services to those we serve. The Bonita store, located at 3725 Bonita Beach Road, is fully operational. If you would like to schedule a donation pickup, you can call the Bonita store at (239) 992-1899, choose Option (1). Donation of goods can also be dropped off at the Family Assistance Center, 4451 Mercantile Avenue, Naples. The number to call is 239-775-1667.

If you are able, please HELP US HELP OTHERS! We all know that Hurricane Irma has made life's challenges for those we serve even more challenging. Please make a donation to SVDP or the SVDP Meals on Wheels Fund!

Thank You for your continuing support of SVDP!

Parking Update: Safety Concerns for All

The work we accomplished this past summer to increase the parking spaces in our Front and Middle Lots has been tremendous. We have almost another 100 spots for proper parking due to this re-engineering (and the loss of trees from Hurricane Irma). However, we still have a small minority of our Parish Family who park in the critical roadways of the campus, potentially blocking emergency vehicle access. We began to gently remind people of this situation two weeks ago in the bulletin, and then this past weekend, we began to place flyers on the cars, vans, and SUV's that continued to park inappropriately. I hope this will be effective in communicating our safety concerns.

Unfortunately, we had an incident this past weekend that illustrated why this concern is real. A woman passed out in our church during the Saturday, January 20, 5:00 p.m. Mass. Her sister called out for someone to call 911 and the brave EMT's responded immediately. The ambulance had to navigate between multiple poorly parked vehicles in order to reach the front of our church to assist this woman, who was then taken to the hospital. Sometimes the difference between life and death can be mere moments, and I would hate to be responsible for someone's pain due to my parking. Here are some examples of this past weekend's parking situation. I hope we can come together as a Parish Family to ensure everyone is safe and protected while on our campus.

As we Build Our Future, Serve Our Past, we still need all the gifts, prayers, and support of our Parish Family.

The Word & Life

A

Unending Fame

As we enter into the mission and ministry of Jesus, we discover that his purpose is to bring healing and restoration to the world. In today's encounter, Jesus commands the unclean spirit to come out of a man. The man must have been very troubled and felt trapped by the evil that possessed him. Jesus recognizes the imprisoned evil and rescues the man by commanding the unclean spirit, bringing healing and restoration. The unclean spirit recognizes Jesus as the Holy One of God and as the One who has authority over him. Jesus' action prompted those who had observed it to spread the word of his healing power, increasing his fame.

Reflection Questions

1. How can you bring healing to the world?
2. In what ways is God calling you to be his voice in the world today?
3. Name the things in your life that unsettle you.
4. How does your faith help you with your anxiety?
5. Do you allow Jesus to influence your life's choices?
6. What authority does God have in your life?

The work of the Church continues these saving actions of the Christ. As Christians, we are called to bring peace and tranquility to situations that are troubled and often volatile. When people commit themselves to the restoration and healing of Jesus' ministry, his fame continues to spread throughout our world today. This is our basic call — to be healers and restorers of the kingdom. In the Book of Deuteronomy, Moses reminds his people that the prophets of today rise up among their own people. God calls ordinary people to the task of transformation. God invites us, in the local church, to grapple with the gift of the gospel. The mission and ministry of Jesus Christ does not belong to the magisterium of the Church alone, rather it is handed on to the priesthood of all believers to be made affective in local communities throughout the world.

If we examine our own lives and world, we soon discover that there are troubled individuals in context of family, society, and the world. We may not know people who are possessed by unclean

spirits, but we may know people who are trapped and held captive by their possessions, unhealthy relationships, addiction, or fears. The task of the Church is to transform the hindrances that separate people from God. When we help those who are imprisoned by the negative influences in life, we actually bring God's healing to them. Whenever something is accomplished in the name of Jesus Christ, his fame spreads throughout the world and the fragrance of Jesus' love can be experienced.

Prayer

Lord, almighty God, help us to calm our inner souls, so that we may experience the calm of your presence. Help us to radiate your healing to those who are trapped by sin or by fears. Whenever we discover the upheaval of the world of darkness, let your light shine in and through each one of us. May the world come to know you through the words we speak, the decisions we make, and in the very actions that define our lives. We also ask for the grace to further the unending fame of your Son so that others may be transformed by the gift of your love. Amen.

Voices of Faith

A Blessing

- May you be blessed in the Holy Names of those who carry our pain up the mountain of transfiguration.
- May you know tender shelter and healing blessing when you are called to stand in the place of pain.
- May the places of darkness within you be turned towards the light.
- May you be granted the wisdom to avoid false resistance and when suffering knocks on the door of your life, may you be able to glimpse its hidden gift.
- May you be able to see the fruits of suffering. May memory bless and shelter you with the hard-earned light of past travail, may this give you confidence and trust.
- May the grace of transfiguration heal your wounds.
- May you know that even though the storm might rage yet not a hair of your head will be harmed.

VBS

Vacation Bible School Update

Due to heavy amounts of construction traffic anticipated this summer and limited outside available space for VBS games, it has been decided to put off VBS until Summer of 2019. Safety is our number one concern and with so much construction taking place, we feel it best to put off the event. We apologize for any inconvenience this may have caused in your summer planning and look forward to this wonderful parish event in 2019. Thank you for your patience and understanding.

First Reconciliation

This week 97 of our Faith Formation Students will be rehearsing for their First Reconciliation Ceremony that will take place in the church at 5:30 p.m. on February 8th.

Children and at least one parent should attend the rehearsal this week on Thursday, February 1st, at 5:30 p.m.

The rehearsal should last about an hour. Students should make sure to bring all of their completed take home lessons that they may not have turned in already. We look forward to seeing everyone on Thursday!

How can I help my child?

- Practice the Sign of the Cross prayer with your child. They will begin their confession with the Sign of the Cross. (Using right hand)
In the name of the Father, And of the Son, And of the Holy Spirit. Amen.
- Help your child learn an Act of Contrition. The priest will ask your child to make an act of contrition. Most of the children are learning this prayer in Faith Formation.

*O my God, I am sorry for my sins,
 In choosing to sin,
 And failing to do good,
 I have sinned against You and your Church.
 I firmly intend,*

With the help of your Son, To make up for my sins And to love as I should. Amen.

- Consider receiving the Sacrament of Reconciliation in the days or weeks before your child's First Reconciliation. Share your experience with your child.

Reconciliation is offered at St. John on Saturdays at 8:30AM am and 2:00PM.

- Encourage your child through this time of preparation. Bring them to Mass wearing the necklaces they received at the Enrollment Mass. Show them by your example, that just as your faith brought them to the sacrament of Baptism, you are here with them as their first teachers to love and support them as they receive the sacrament of Reconciliation.
