

BAPTISM PROCESS

1. Parents should be registered members of St. John the Evangelist to request a Baptism. Baptisms will be scheduled when all paperwork is completed.
2. Call the parish office (566-8740) to register for a Baptism class.
3. A person to be baptized needs only one sponsor. If the tradition of having two is desired, choose a man and a woman. The sponsor should be living the Gospel message in their daily personal lives. They should practice the faith regularly as registered members of their local Catholic parish. They should have received the sacrament of Confirmation, be at least sixteen years of age and have the proper aptitude and intention to assume this role.
