END NOTES

Director's Note:

Annie, Jr. is a much beloved and classic theatre piece for children of all ages. The music and characters are a delight to bring to life once again. One never tires of the joy in the songs and the optimism of the characters. St. John's is committed to the enrichment of the young people in this community and has generously supported the beginning of an after school theatre program. We are so proud to be the first production and we hope to continue the offering in the next semester and the time to come.

ACKNOWLEDGEMENTS

The Cast, Crew, and Families of *Annie Jr.* wish to thank all the generous donors for the CYO Scholarship Program, which supports many of the participants in this wonderful theatrical opportunity, something they would otherwise be unable to afford on their own.
